presents

Alzheimer's Disease: Approaches to Care

Sussex County Caregiver Conference

Newton Medical Center

Romano Conference Center
175 High Street
Newton, NJ 07860

Saturday, October 21, 2017

8:30 a.m. – 12:30 p.m.

Caregivers face many complex issues while providing care for loved ones with Alzheimer's disease and other forms of dementia. This half-day conference for caregivers will provide practical information about how to cope with the unique challenges of caring for someone with Alzheimer's disease. The conference will include an overview of Alzheimer's, including medication and care considerations, and a session detailing legal and financial planning. Attendees may visit resource tables for information about community support services.

A light breakfast will be provided by

Homestead Rehabilitation and Health Care Center
and **Valley View Rehabilitation and Health Care Center.**
