Alzheimer's New Jersey®

Impact Report Fiscal Year 2026

No One Needs to Face Alzheimer's Disease Alone

Our Impact is Your Impact

Every day, Alzheimer's New Jersey® supports individuals and families navigating Alzheimer's disease and other types of dementia. Our impact is measured not only by the programs and services we provide, but by the moments of education, connection, reassurance, and hope we create for people across New Jersey - whether they are living with dementia or caring for someone they love.

As we look back on this past year, we are proud of all we have accomplished and, most importantly, of the lives we have touched.

Through core programs like our Helpline and the Respite Care and Wellness program, as well as new initiatives introduced this year such as our Caregiver Wellness Mornings, Timeless Talk Conversation Cards, and monthly Clinical Trials Newsletter, we continue to deepen our impact and build upon the ways we support local families.

We remain committed to expanding access to compassionate support, increasing awareness, and empowering everyone affected by Alzheimer's with the knowledge, resources, and connections they need to navigate their journey and have the best days possible.

This year also marks the anniversary of a defining moment in our history as a New Jersey-based nonprofit. A decade ago, following the Alzheimer's Association's decision to consolidate its independent chapters into a single national organization, we made the difficult decision to leave the national organization. We changed our name to Alzheimer's New Jersey®, re-affirming our commitment to remaining an independent organization focused exclusively on serving the growing needs of New Jersey families affected by Alzheimer's disease.

Over the past decade, we have served thousands of families across the state, and we are proud of the positive difference we have made—ensuring that families have the resources and support they need to best care for their loved ones.

Our impact is your impact.
Thank you for helping us make a difference!

When Alzheimer's touches your life, we are here!

"A donation may seem small, but its impact can be life changing."

Alzheimer's New Jersey®

OUR VISION
To improve the lives of people in New Jersey who are affected by Alzheimer's disease and other dementias; offering continuous hope, and support.

OUR FOCUS
We focus on the day-to- day lives and challenges of those living with or caring for someone with Alzheimer's disease or other types of dementia. We help caregivers and family members understand they are doing the best they can in the face of sometimes overwhelming challenges.

Since 1985, Alzheimer's New Jersey® has played a crucial role in the fight against Alzheimer's in New Jersey and continues to do so today, building upon a legacy of over 40 years of being a trusted organization for Alzheimer's support.

All funds raised benefit New Jersey families 100%.

Lives Touched

"I take great pride in being associated with a New Jersey organization that does so much for families affected by this life-changing disease. I am inspired by the many stories of lives touched – for me, all in REMEMBERING MY DAD.

Thanks to Alzheimer's New Jersey®, there are so many resources now that were not available to me – such as the Helpline, Family Support Groups and the Respite Care and Wellness Program – resources made possible only through donor generosity. I am deeply thankful for our donors and volunteers and honored to count myself among you, remembering my dad while working to help the many families in our state who continue to face Alzheimer's disease."

Robert Goldsmith
Alzheimer's New Jersey® Board Chair

"Webinars, support groups, and the Helpline provided guidance, reassurance, and practical tools during overwhelming moments. When long-term care insurance was exhausted and we needed to apply for Medicaid, a respite scholarship from the Respite Care and Wellness Program helped us continue providing quality care.

Thank you, Alzheimer's New Jersey®, for guiding and supporting me through the most difficult chapter of our lives."

Bobbie, Caregiver and Loving Wife

"What a lovely morning! It was such a treat to be honored as a caregiver with a chair massage, delicious breakfast and lunch and creative activities to relieve stress. Best of all was the opportunity to socialize with other caregivers and share experiences and smiles."

Why Your Support Matters

The impact of Alzheimer's disease is growing in New Jersey as the population ages. Families are overwhelmed and underprepared to manage the complexities of care. Due to stigma, cost or lack of awareness, caregivers and families miss out on critical support that could improve their lives. Alzheimer's New Jersey® is here to fill this gap with your help.

Thank you.
